Welcome

Congratulations on purchasing your new Plantronics product. This guide contains instructions for setting up and using your Explorer 50 headset.

Please refer to the safety instructions for important product safety information prior to installation or use of the product.

What's in the box

Headset

USB charge cable

NOTE *Contents may vary by product.*

Headset Overview

	Charge port
	Call button
	Volume button: Cycles through volume settings
	Headset LED (indicator light)
	Power button

Be safe

Please read the safety guide for important safety, charging, battery and regulatory information before using your new headset.

Pair and Charge

Get Paired

Be safe! Please read the separate safety guide for important safety information.

- 1 Wearing your headset, power it on. The first time you do this it will begin the pairing process. You hear "pairing" and the headset indicator lights flash red and blue.

- 2 Activate Bluetooth® on your phone and set it to search for new devices.
 - iPhone Settings > Bluetooth > On*
 - Android™ Settings > Bluetooth: On > Scan for devices*

NOTE *Menus may vary by device.

- 3 Select "PLT_E50."
If necessary, enter four zeros (0000) for the passcode or accept the connection.
Once successfully paired, you hear "pairing successful."

Activate pair mode

Press the Call button  until the indicator light flashes red and blue and you hear "pairing."

Use two phones

Multipoint technology lets you pair a second phone and answer calls on either phone. To pair a second or a new phone see "Activate pair mode."

Reconnect

Bluetooth headset has up to a 33 feet (10 meters) effective range. If you lose connection, your headset will try to reconnect. If your headset doesn't reconnect, tap the Call button  or manually connect through the phone's Bluetooth device menu.

Charge

Your new headset has enough power to pair and make a few calls. It takes 2 hours to fully charge the headset; the indicator light  turns off once charging is complete.

Fit

You can wear your headset on your right or left ear. To adjust the fit, rotate the earloop as shown.

The Basics

Answer or end a call

Tap the Call button ☎.

Adjust the volume

Tap the Volume button 🔊 to cycle through preset levels.

Mute

While on an active call, press and hold the Volume button 🔊 for 2 seconds. You hear “mute on” or “mute off.”

Voice dial (phone feature)

If your smartphone has a voice-enabled assistant, press the call button ☎ for 2 seconds and wait for phone prompt.

Specifications

Talk Time	Up to 11 hours
Standby Time	Up to 12 days
Operating Distance (Range)	Up to 33 feet (10 meters), Class II
Headset Weight	10 grams
Charge Connector	Micro USB charging
Battery Type	Rechargeable non-replaceable lithium ion polymer
Charge Time (Maximum)	2 hours for full
Power Requirements	5V DC – 180mA
