

# BRIO 300

Full HD Webcam

## BE YOUR BEST SELF ON EVERY VIDEO CALL

Say hello to better video meetings. Place Brio 300 at your best angle for an eye-to-eye connection. Look natural thanks to 1080p resolution and auto light correction for low-light situations. A noise-reducing mic suppresses background noise so others can hear you clearly. Spin the easy-to-use privacy shutter to cover the lens between calls. Brio 300 is certified for Microsoft Teams, Google Meet, and Zoom, so you can enjoy hassle-free meetings. Add a dash of personality to your workspace with a modern shape and a subtly speckled design made from at least 48% recycled plastic\*.

### FEATURES

- Full HD 1080p image quality
- RightLight™ 2.5 auto light correction
