

9U 19" Wall Mount Network Rack 19" Deep 2 Post Open Frame for Server Room/Data/AV/IT/Communication/Computer Equipment/Patch Panel w/Cage Nuts/Screws Hook/Loop 175lb Capacity

**Product ID:** RK919WALLO

This open-frame 9u wall mount rack provides 9U of storage, allowing you to save space and stay organized. The 19 inch equipment rack can hold up to 175 lb. (80 kg).

The wall mount open frame rack is 18 in. (45.7 cm) deep, so it's perfect for smaller spaces. It's easy to assemble and features mounting holes that are spaced 16 in. apart, making it suitable for mounting on almost any wall, based on common wall-frame stud spacing.

You can mount the wall mount open frame rack where space is limited, such as on a server room wall, office, or above a doorway, to expand your workspace and ensure your equipment is easy to access.

By having an open frame, the small wall mount network rack provides passive cooling to equipment. Additionally, the open frame provides easy access and configurability to your equipment, allowing you to maximize productivity.
