USB 2.0 CARD READER & 3-PORT HUB

Add 3 USB 2.0 Ports to your system on the go!

Works with all popular media card formats

Compact and easy-to-use card slot for all your media

Model#: MEAHR2 SRP: \$49.99

The Mobile Edge Card Reader & 3-Port Hub is really 2 devices in one! On one hand, it reads all formats of multimedia cards you might use with your camera, PDA or other device. On the other hand, it adds 3 USB 2.0 ports to your computer system, meaning you can connect your devices, whether at home or on the road. The Mobile Edge Card Reader & 3-Port Hub is a combo device that will keep you mobile and productive at the same time!
