

Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Install Stream Deck

Download and install the Stream Deck app.

Connect Stream Deck Pedal directly to a USB port on your PC or Mac – do not use a USB hub.

Set Up Actions

Launch the app to customize Stream Deck Pedal. Drag actions from the right panel and drop them onto your desired pedals on the left.

Right-click icons to copy, delete or move them.

Adjust Pedal Pressure

Loosen four screws with a Phillips head (PH) screwdriver.

Adjust pedal pressure with the included spring tension sets.

Use the Middle Pedal as a Footrest

Lock the middle pedal with the included stoppers to convert it into a convenient footrest.

Get tapping and unleash your creative genius.
