## VisionTek Radeon HD 5570 4 Port DVI VHDCI

VisionTek Part# 900345

**The VisionTek Radeon HD 5570 4 Port VGA VHDCI is ideal for gaming, multimedia, financial transaction, and office settings.**

### **The Heart of the PC Entertainment Experience... View Up to Four CRT Analog Monitors Simultaneously!**

The VisionTek Radeon™ HD 5570 VHDCI graphics card offers the most features and functionality in its class with complete DirectX 11 support and the world's most advanced graphics, display features and technologies. Its designed to be the heart of a feature-laden gaming/computing PC experience that delivers exceptional visual quality. Play your favorite game, watch a Blu-ray or HD movie, attend a video conference, run demanding creative production apps across four monitors... this card has the power to handle all your display needs with intelligent power management that doesn't compromise performance. Its Small Form Factor (SFF) design comes equipped with a short bracket for a quick installation in today's low profile desktops and workstations. Yet, with the included tall bracket, the card easily adapts for use in a standard PC chassis.

### **Small Form Factor – Low Profile Design**

The innovative low profile design allows installation in small form factor and systems.

### **Energy Efficient**

Intelligent power management technology allows the VisionTek Radeon HD 5570 VHDCI to conserve energy at idle or when demand is low.

### **Improve Your Productivity**

Take multitasking to the next level by expand your visual workspace! Eyefinity Technology with DisplayPort connectivity lets you view four\* VGA monitors simultaneously so you can get more done in less time.

### **Avivo™ Video and Display Technology**

Avivo™ technology connects to high-resolution displays and home entertainment devices and produces vibrant colors, ultra sharp images, and smooth video playback.

### **SPECS:**

**Graphics Engine:** Radeon HD 5570  
**Video Memory:** 1GB DDR3  
**Memory Interface:** 128-bit  
**DirectX® Support:** 11  
**CrossFireX Support:** No  
**Bus Standard:** PCI Express 2.0 x16  
**Core Speed:** 650MHz  
**Memory Speed:** 667x2MHz (1333MHz effective)  
**Ports:** VHDCI connector  
**Output Ports:** 4 x DVI  
**Supported Video Signal:** DVI  
**Number of Monitors Supported:** Four\* DVI-D  
**Form Factor:** Small Form Factor (SFF) single slot  
**Dimensions:** 2.4" H x 6.7" D  
**Warranty:** Three year

### **SYSTEM REQUIREMENTS:**

- Intel® Pentium® 4/III, Celeron™, AMD Duron™/Athlon™/Athlon™ XP, or compatible with x16 PCI 2.0 Express slot
- 256MB of system memory (1GB+ recommended for Windows Vista and later)
- Installation software requires CD-ROM drive
