LEXMARK ™

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their turnover on printing, and that active print management can cut office print costs by up to 30%[1], it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

If you need a quick and convenient monochrome printer that fits easily on your desktop or within your workspace, then get to know the Lexmark E260. Remarkably small in both size and price, this compact laser is a breeze to operate, and it offers you smart choices, like network-ready and duplex-printing models to reduce costs and paper consumption. Get sharp, professional-looking laser print quality from a printer that's ultra convenient and always close to your needs!

A real desktop-friendly device

The Lexmark E260 provides great all-around convenience and a compact design that fits just about anywhere. Add in the fact that it's very quiet and easy on the eyes, and you've got the perfect office partner to spend your day with!

- Quiet; as low as 48 dBA in Quiet Mode
- Sleek new contemporary design
- Compact at just 370 x 406 x 260 mm

As easy as you need it to be

Set it up, run it and maintain it with ease! The Lexmark E260 is the exceptionally simple solution for hassle-free printing. It lets you spend less time on documents and more time adding value to your business.

- Quick, intuitive set-up and configuration
- User-friendly operator panel
- Simple front-loading toner cartridges
- Easy to connect with USB, Parallel and Fast Ethernet

Available on Lexmark E260dn

Quality and efficiency unite!

With the Lexmark E260 you can always benefit from professional-looking documents with sharp laser-quality text. And it supports most major operating systems and printer languages, ensuring your documents – even large files – print quickly and reliably.

- True 1200 x 1200 dpi print quality
- First page out as fast as 6.5 seconds thanks to the instant warm-up fuser
- Powerful 400 MHz processor
- PostScript and PCL emulation

Prints black, thinks green

Printing responsibly means everyone wins – your business, your budget and the environment! The Lexmark E260 is designed with eco-conscious features to help you reduce paper and save energy.

- Paper-saving duplex printing available*
- Eco-Mode reduces power consumption*
- Instant warm-up fuser saves energy
- Lexmark Cartridge Collection Programme for easy recycling

Available on Lexmark E260d / dn

re. reduce recover reuse recycle

Environmental commitment
Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programmes please visit www.lexmark.com/recycle

Cost saving and environmental features
- Energy Star compliant
- Duplex printing, print and hold (verify print), multi-up printing and quality printingon recycled paper help reducing paper consumption
- Selectable toner saving modes help reducing the amount of toner used on a page.
- Return programme cartridges and end-of-lifeproduct management help reducing landfill

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
