Contains at least 65% recycled plastic content, to help keep materials in use longer.³

UL ECOLOGO® certified for reduced environmental impact, based on stringent health and environment criteria.¹⁰

Over one billion HP print cartridges have been recycled and kept out of landfills with HP Planet Partners.¹¹

Compatibility statement

HP Envy 6110, 6150, 6550 Series

Product specifications

P/N	Description	Average cartridge yield *	Package weight	UPC code
7FP21TN	HP 68 Black Original Ink Cartridge	~160 pages	0.04 kg	196786390418

*Tested in HP Envy 6100 All-in-One Printer series. Approximate average based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. For details see <http://www.hp.com/go/learnaboutsupplies>.

Warranty

HP's ink cartridges and printheads are warranted to be free from defects in materials and workmanship during the period of the warranty.

¹ Compared to previous Original HP 67 Ink Cartridges.

² Original HP 68 Ink Cartridges have a more robust printhead design that stands up to accidental drops, corrosion, and improved reliability performance.

³ Original HP 68 Ink Cartridges contain at least 65% recycled content by weight of plastic. 88% of Original HP Ink Cartridges contain between 5-75% post-consumer recycled content. Does not include ink bottles or other products not listed. See <http://hp.com/InkRecycledContent> for list.

⁴ Program availability varies. See <https://hp.com/hprecycle>.

⁵ Compared to previous Original HP 67 Ink Cartridges as of May 2024. Black ink formula changes enable consistently sharp text and graphics without misses.

⁶ Improved photo fade resistance based on photos printed on HP Advanced and Premium Plus photo papers and displayed under glass. Improved plain paper fade resistance in dark storage. Based on HP internal testing and testing by Wilhelm Imaging Research as of March 2024. See <http://hp.com/printpermanence>.

⁷ Based on internal HP testing as of April 2024 with Original HP 68 Black Ink Cartridges and Original HP 67 Black Ink Cartridges in default mode on plain HP Printer Paper All-in-One22 with ColorLok technology using Faber-Castell® yellow highlighter "Textliner 48 refill".

⁸ Water and fade resistance of photos printed on HP Advanced and Premium Plus photo papers. Based on HP internal testing and testing by Wilhelm Imaging Research as of 2024. See <http://hp.com/printpermanence>.

⁹ Original HP 68 Ink Cartridges compared to Original HP 67 Ink Cartridges. Page yield tested in HP Envy 6155e All-in-One Printer. Average continuous printing yield of black and composite (cyan/magenta/yellow) based on ISO/IEC 24711 or HP testing methodology. Actual yield varies considerably based on content of printed pages and other factors. For details, see <http://hp.com/learnaboutsupplies>.

¹⁰ Original HP Ink Cartridge certification to UL 2801 demonstrates compliance with a range of multi-attribute, lifecycle-based criteria related to human health and environmental considerations, see <http://UL.com/EL> & <http://KeypointIntelligence.com/HPINKUL>.

¹¹ More than one billion print cartridges have been returned to HP Planet Partners recycling program as of December 31, 2022. Program availability varies. See <https://hp.com/hprecycle>.
