

# HP Engage Go 10" Accessories

Thrives on the go

Built to deliver across today's demanding business landscape, the HP Engage Go 10" easily transitions from an all-in-one system to mobile tablet. It's durable and secure, ideally sized and integrates essential accessories<sup>1</sup> so you can seamlessly conduct business where and how you need to.

Gain additional functionality and protection for the HP Engage Go 10 with optional accessories that allow for easy carrying, protect the tablet from accidental drops and makes charging multiple units easy.

Choose from two case options including the HP Engage Go 10 Case\* that provides 4-foot drop protection while still providing access to all port and dock connectors and allows for a wrist or shoulder strap to be attached for easy carrying or even hands-free carrying of the tablet.

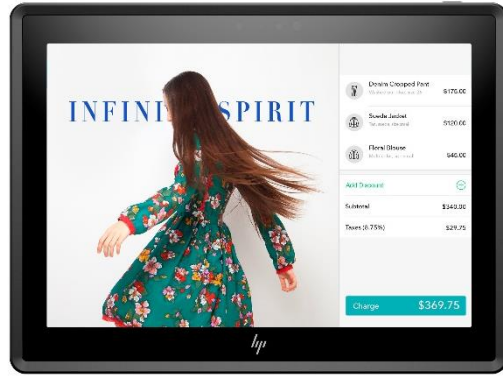

The HP Engage Go 10 Rugged Case<sup>1</sup> provides even more protection for the toughest environments with up to a 6-foot drop protection and also increases the tablet's IP rating to IP65<sup>2</sup>. The rugged case not only enables easy carrying with a hand strap but also allows for hands free carrying with the ability to attach a shoulder strap. A convenient kickstand also allows the tablet to sit upright on a counter or shelf.

The HP Engage Go 10 Multi-Charger enables you to easily charge up to 4 tablets at a time. The multi-charger can be used with or without the optional cases and can be locked to prevent theft. Place the multi-charger where you need it with the ability to place it on a counter, shelf or mount it on a wall to save space.
