Product Description

Professionals want dual monitor workstations but often struggle to find simple ways to setup and adjust the screens. Providing the installation ease of a monitor stand with the adjustability benefits of a monitor arm, the SmartFit™ Freestanding Dual Monitor Stand eliminates the need for complex installations and provides intuitive height adjustability. With pan, tilt, and swivel adjustments, users can easily customize their viewing angles for optimal comfort and productivity, ensuring a more ergonomic workspace.

Features

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- Desktop base mount eliminates the need for drilling holes or clamping mounts to the desk.
- Curved horizontal rail simplifies monitor placement and provides a more comfortable and immersive viewing experience.
- Constructed with durable steel materials for long-lasting reliability.
- Accommodates up to two 27" monitors weighing up to 22lbs (10kg) each.
- Quick-release handle allows for swift and convenient height adjustments.
- Anti-slip silicone pad provides a stable surface for phones or tablets.
- 2-year limited warranty.
