

Locking Adapter for Mac Studio

Attach any nano security lock to your Mac Studio.

K65101WW

Product Description

If you own a Mac Studio, you likely want a convenient way to secure your investment. Designed specifically for the Mac Studio, the Locking Adapter for Mac Studio works with any nano security lock, requires no tools to install, won't block ports or get in the way, and blends in perfectly. And with a five-year limited warranty, you can rest assured knowing you're covered by Kensington, inventor and a worldwide leader in laptop security locks.

Features

- Can be used with any nano security lock, providing a clean, secure connection between the Mac Studio and a nano security slot. Designed to perfectly complement the Mac Studio without getting in the way.
- No tools required, attaches easily, won't damage, and doesn't require any modifications to the Mac Studio.
- Unobtrusive design won't block ports and provides uncompromising security, without compromising functionality.
- A five-year limited warranty means you can rest assured knowing you're covered by Kensington, inventor and a worldwide leader in laptop security locks.
