

Epson Stylus™ Office TX300F

Weight: 7.2kg

To use USB port, your PC must conform to PC98 specifications, and have Windows preinstalled. Consult the documentation provided with your PC for further information about USB connectivity. Note also that printing errors may occur if non-standard cables or more than 2 USB hub connections are used.

* Print speed (PPM) when printed on A4 plain paper in the fastest mode, 10x15cm photo print speed when printed on Epson Premium Glossy Photo Paper in default mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

All-in-One
Print | Copy | Scan | Fax

Epson Stylus™ Office TX300F

Affordable & Versatile
All-In-One with Easy Fax Function

- **30-sheet Auto Document Feeder**
- For effortless scanning, copying and faxing
- **Epson DURABrite™ Ultra ink**
- Laser quality, water and smudge resistant prints
- **Economical INKdividual™ cartridges**
- Only replace the colour you used

All-in-One

Print | Copy | Scan | Fax

Epson Stylus™ Office TX300F

Convenient Auto Document Feeder, Laser-sharp Quality & Economy Ink

Epson Stylus™ Office TX300F, best value one-stop solution to all your office needs – print, copy, scan & fax.

Enhance Business Productivity

30-sheet ADF

The Epson Stylus™ Office TX300F is equipped with a 30-sheet Auto Document Feeder bringing you efficient multiple-page copying, scanning and faxing.

In addition, faxing is fast and effortless with a fax speed of up to 33.6kbps and convenient speed dial features. The 180-page fax storage memory ensures all your important incoming faxes will be received securely.

Superior Print Speed

Maximise time efficiency and productivity with a superior print speed of 31 pages per minute. No longer waste time waiting for your printouts.

Professional Quality

Laser-sharp Quality

Epson DURABrite™ Ultra ink delivers laser-sharp quality and brilliantly coloured prints for all your professional needs. Most importantly, prints dry in an instant and are water, smudge and fade resistant. Rest assured that important business documents will last for years to come.

High Durability, Minimum Maintenance

Epson's Micro Piezo print head technology delivers unrivalled quality prints with VSDT (Variable Sized Droplet Technology) without compromising on speed. Most importantly, it is extremely durable which reduces the risk of downtime.

Economically Designed

Epson INKdividual™ Cartridges

Epson INKdividual™ cartridges allow you to maximise usage of each ink cartridge as you only replace the colour you used. In addition, the black ink cartridge is available in both standard and high capacity to cater to different printing volume. Reduce the inconvenience of changing cartridges frequently and minimise your running costs by purchasing your ink set based on your business needs.

Energy Efficient Features

The Energy Star compliant Epson Stylus™ Office TX300F consumes only 11W during printing which can be up to 3 times lower than conventional laser printers*. Optimised energy efficiency is key to minimise the ever rising operational costs.

*Results based on internal tests conducted using US-equivalent (120V) models.

Added Functionality

Photo Perfection with Epson Creativity Suite
The Epson Stylus™ Office TX300F comes with powerful and easy-to-use photo editing software including:

- Epson Easy Photo Print
Achieves photo lab quality prints in just 3 steps with this easy-to-use software.
- Epson PhotoEnhance
Gives you beautiful and natural prints with automatic adjustments of skin tones, colour casts and exposure levels, adding a professional touch to photos.

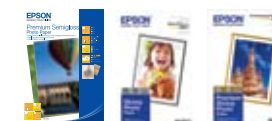

Partners in Perfection

An efficient and key partner to your office document digitisation needs, Epson's range of business scanners brings you awesome image quality and accurate colour reproduction. Simply scan to archive or to share.

Epson inks are designed specifically to work with your Epson printer to deliver stable, long-lasting prints.

Epson speciality paper media is designed to complement Epson genuine inks to produce exceptionally high quality prints.
