HP 960 4K Streaming Webcam

Look Great, Automatically

Stream your most authentic self with an AI-enhanced, HDR webcam[1] in up to 4K resolution[2] on your favorite streaming platforms. This webcam automatically color corrects, so you look true-to-life, day or night, while it also automatically keeps and your content center stage[1]. All you need is one webcam to stream, automate, and create what you care about.

Stream the Real You

Get studio-quality without the studio with this streaming webcam. Film in up to 4K[2] 30fps or 1080p 60 fps with the cutting-edge image sensor, so your audience can enjoy smooth, superb video on your chosen streaming platforms. Fine-tuned to you, the dual-microphones pick up the audio you want to share while reducing the noise you don't.

Always Show your True Colors

Stream in stunning color at any time or on any set. Color correction and HDR automatically adjust to keep you and your content vibrant, day or night, and the 18 mm F2.0 large lens takes everything in for an excellent image, even in low light.

An AI-Enhanced Production

You don't need a film crew when you have an AI-enabled webcam. Before going live, change your background to create the virtual set of your dreams[1]. During your livestream, Auto Framing keeps you and any guests centerstage, while your content stays distortion-free with keystone correction.

Set your Stage

Customize your set exactly the way you want it. Mount it almost anywhere with the stand or a tripod[3] and still find the perfect angle with 360° swivel and 90° tilt. Adjust your field-of-view to capture the entire set or bring it in for a tighter focus[1].

HP 960 4K Streaming Webcam

Auto Focus
While you focus on your stream, this webcam automatically adjusts the focus on you. Feel confident knowing your image is crystal clear throughout your streams.

Only Share When you Want To
When you're done streaming or conferencing, simply attach the magnetic privacy cover for worry-free privacy.

Digital Zoom
Need to get a closer look? Use digital zoom to zoom in and out, so you can show what you want--all available on HP Accessory Center[1].

Conference Seamlessly
Certified for Zoom and compatible with other popular conferencing applications, you can be sure our hardware works seamlessly with Zoom and most other conferencing platforms to deliver an stunning conferencing experience every time.

Thoughtful Product Packaging
HP is committed to reducing plastic in landfills by using 100% recyclable packaging[4] that meets recycling requirements, so it can stay out of the landfill[5].
