

4XEM 2 in 1 3ft USB-C to USB-C + Lightning Cable

4XEM Part- 4X2N1USBCLIGHTNING3

The 4XEM 2-in-1 3ft USB-C to USB-C + Lightning Cable offers seamless versatility for powering and syncing devices. Supporting both USB-C and Lightning connectors, this unidirectional cable is designed for convenience, enabling high-speed data transfer rates of 480 Mbps. With Power Delivery support, you can charge USB-C devices at up to 60W and Lightning devices at 27W, making it ideal for fast charging needs.

The cable features a robust build, with gold-plated pins and a nickel-plated iron case for long-lasting durability. Its TPE (Thermoplastic Elastomer) jacket provides flexibility, and at 3 feet in length, it's perfectly sized for everyday use. Compatible with a variety of devices, this cable is FCC certified and includes an MFi (Made for iPhone) Certified Lightning connector to ensure safe, reliable performance with Apple products.

Features

- 2-in-1 USB-C to USB-C + Lightning design
- Supports 60W Power Delivery for USB-C and 27W for Lightning
- 480 Mbps data transfer rate
- MFi Certified Lightning connector
- Gold-plated pins for durability
- 3ft cable length, flexible TPE jacket
- 1-year warranty

Application

- **Fast Power Delivery:** With support for up to 60W for USB-C and 27W for Lightning, you can quickly charge smartphones, tablets, laptops, and other devices, minimizing downtime.
- **Reliable Data Transfer:** The 480 Mbps transfer rate ensures quick and seamless syncing of data between devices, perfect for transferring files, photos, and videos efficiently.
- **Apple Compatibility:** The MFi Certified Lightning connector guarantees safe and reliable charging for all your Apple devices, ensuring no compatibility issues

Made for
iPhone | iPad | iPod
