

## Quad-Display Desktop Monitor Stand for 13" to 27" Flat-Screen Displays

MODEL NUMBER: DDR1327MQ

Mounts up to four 13 to 27 in. monitors on a single base to free up valuable space on your home or office desk, table or work area.

### Features

#### 4-Screen Monitor Stand Frees Up More Work Space for Multitasking

This VESA-compliant display stand mounts up to four flat-screen monitors on a sturdy base, allowing you to free up valuable workspace on your desk, table or workstation. Recommended for more convenient multitasking at home or the office, the DDR1327MQ fits most flat-panel monitors from 13 to 27 inches and supports up to 17.6 pounds per monitor.

#### Swivel, Tilt and Rotate the Screens to Find the Perfect and Most Comfortable Viewing Angle

This desk mount for your computer monitors adjusts independently to optimize viewing angles, minimize glare and improve ergonomics. To minimize screen glare, reduce eye fatigue and increase viewing comfort, each mount features -45° to +45° tilt, -15° to +15° swivel and 360° rotation for positioning your screens in portrait or landscape orientation. Easy screen adjustment lets you quickly find just the right angles without interrupting your workday. A heavy-duty base keeps the freestanding mount stable on a desk or table during adjustment.

#### VESA-Compliant Mounting Ensures Display Compatibility

VESA (Video Electronics Standards Association) promotes uniformity in the video electronics industry by developing standards for TVs and monitors. For hassle-free display compatibility, this monitor stand supports the following VESA mounting hole patterns: 75 x 75 and 100 x 100. Mounting hardware is included.

#### Sure to Stand Up to Frequent Use

The durable steel frame withstands the stress of repeated adjustments. Its scratch-resistant powder-coated finish tolerates frequent handling and blends easily into any home or office décor. Monitor cables clip to the stand to eliminate clutter and keep your work area organized.

### Highlights

- Monitor stand with heavy-duty base remains stable on your desk during adjustment
- -45° to +45° tilt, -15° to +15° swivel and 360° rotation helps you find the perfect angle
- Durable steel construction blends into any décor and supports up to 17.6 lb. per monitor
- Display cables attach to pole to reduce clutter and keep cords organized
- VESA compliance ensures compatibility with 75x75 and 100x100 mounting patterns

### Applications

- Lift as many as 4 monitors above your standing desk or workstation to free up valuable surface space
- Swivel, tilt and/or rotate your screens for the most comfortable viewing angle

### System Requirements

- Up to 4 flat-screen monitors from 13 to 27 in. with 75 mm or 100 mm VESA mounting holes

### Package Includes

- (4) VESA plate assemblies
