

# Rio PRO<sup>TM</sup>

## The professional's choice for secure card printing

### SECURE

The Magicard Rio Pro's patented HoloKote® security technology adds a watermark to the card as it is printed - it requires no additional consumables and can be customised to an individual logo design - enabling true security at no extra cost. Secure encoding options include magnetic stripe, contactless and smart card technologies.

### EXPERT

Built for professionals, the Rio Pro's superior card printing quality is enhanced by ICC profiles that seamlessly map colours between software and the printer. The clear 4-line display provides intelligent user information and interaction.

### FLEXIBLE

USB and Ethernet interfaces are complemented with a Microsoft-certified plug & play driver. Batch print with the interchangeable 100-card feeder or print one-offs or rewritable cards with the hand-feeder. Upgrade a single-sided Rio Pro to double-sided printing using a simple in-field upgrade kit.

### TOUGH

Built with high performance purpose-built materials and advanced components, the Rio Pro is designed and manufactured at Ultra Electronics' centre of excellence for manufacturing in the UK and is backed with the market-leading UltraCoverPlus warranty.

### 3 year UltraCoverPlus warranty

The Rio Pro is supplied with a free, 3 year warranty with hassle-free printhead cover and loaner service.

PROFESSIONAL SERIES

# MAGICARD<sup>®</sup>

Secure ID card printers

100-card feeder

High-performance, purpose-built composites for durability
