

H1000 USB-C On-Ear Headset

All day productivity.

K83450WW

Product Description

Kensington's universal plug & play H1000 USB-C Headset delivers premium productivity, comfort, and durability for an advanced audio experience. With a noise-canceling microphone, LED indicators for "busy" and mute, sidetone for better call engagement, and in-line music controls, the H1000 is designed to enhance your audio experience. Powerful 40mm drivers deliver exceptional sound, and a long 6ft tangle-free nylon braided USB-C cable provides room to stand and stretch. The H1000 is part of Kensington's Professional Video Conferencing ecosystem—providing an integrated experience so you spend more time being productive.

Features

- Works with popular calling applications (Microsoft Teams, Zoom, and more) and operating systems (Windows, macOS, and Chrome OS).
- Lightweight ergonomic on-ear design with adjustable leatherette headband, comfortable earpads, a 270° rotating microphone that can be worn on the right or left side, and a comfortable secure fit.
- A directional noise-canceling (DNC) microphone suppresses distracting sounds such as keyboard clicks and nearby voices, sidetone confirms you are being heard, and 40mm drivers deliver an advanced audio experience with HD voice support.
- Quick access to the volume, play/pause, mute and integrated busy light buttons help you maximize productivity, while LED indicators provide reassuring visual confirmation of your status so you can stay focused.
- The LED indicator on the back of the microphone turns red when activated to minimize colleague interruptions and maximize productivity.
- A long 6ft tangle-free nylon braided USB-C cable provides the dependability of a wired connection and the freedom to stand and stretch during extended calls.
- Spend more time collaborating with Kensington's unified video conferencing products and accessories—the most professional, personal, productive, and convenient way to Communicate like a Pro.
- Connect with confidence knowing Kensington stands behind the H1000 with a 2-year limited warranty.
