

# HyperX Clutch Tanto Mini WD Gaming Controller

## PERFECTLY SIZED FOR YOUNGER GAMERS.

Younger Xbox players and gamers who just want a smaller, more portable controller, the HyperX Clutch Tanto is your weapon of choice. The HyperX Clutch Tanto Gaming Controller is a compact, officially licensed wired Xbox controller with room for all the standard buttons and controls. Weighing just 5.8 ounces (165g), it's easy to fit in a backpack or pocket for some after-school battles. Plug it directly into Xbox Series X|S consoles using the USB-C to USB-A cable, and you can also use it to control your favorite games on PC, Steam Deck, or compatible Android devices<sup>1</sup>. It also features a 3.5mm stereo jack so you can easily connect your favorite wired headset, so you can be sure that you'll have the setup you need to succeed, even when you're not at home.
