65" (64.5" viewable) Full HD LED Commercial Display

USB Multimedia Playback

Deploy high-impact messaging with ease, with the ViewSonic® CDE6502 65" (64.5" viewable) commercial LED display. Thanks to an integrated USB multimedia player, vibrant photos, music, and video content can be displayed for catching the attention of passersby. What's more, with a quad-core processor, 8GB of built-in memory, and RJ45 connectivity, the display also delivers convenient web browsing capabilities without having to connect to a clunky PC. And when it comes to control, it's got everything you need for easy and efficient multi-display management right from your notebook or PC. Whichever options best suit your needs, your message will make its mark with bright, beautiful Full HD multimedia images and sound.
