HP Chromebook x360 – 14-da0001na (6BG49EA)

Overview

Millions of apps never looked so good

Super-fast and incredibly intuitive, the Chromebook x360 helps you make the most of the entire Google[1] ecosystem, putting millions of apps right at your fingertips. With a modern look and feel, plus four unique modes, this slim PC is designed for everything you do, and so much more.

The best of Chrome and Android

The apps you know and love now run on your Chromebook x360. And with four unique modes—stream, share, and enjoy your favorite content wherever life takes you.

Power through your day

With up to 11 hours of battery life[3], up to 64GB of SSD storage[4], and an Intel® Core™ processor[5], there's everything you need to stay productive on the go.

Designed to show off

At just 16mm thin, this slim PC is designed with premium features which includes a narrow bezel and FHD[2] touch display—complete with a color keyboard and stylish, white ceramic-like finish.

Features

Outer material: 60% cotton / 40% polyester peached fleece

Optimized metal design

Streamlined, premium metal design delivers a thinner, lighter PC while providing robust durability—thanks to advanced 3D metal-forming technology.

Sleek design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

Elegant ceramic-like finish

This premium, white matte finish on metal can only be achieved by a sophisticated process known as Anionic Electric Deposition — delivering a smooth, ceramic-like feel while maintaining durability.

360° geared hinge

Innovatively engineered to rotate 360º so that you can use your device in four modes. Work in laptop mode, watch in stand mode, play in tent mode, and go in tablet mode.

Narrow bezel display

By squeezing a larger screen into a smaller frame, this narrow bezel optimizes your display's appearance with an efficient design.

---

[1] Access to the Google Play Store and related apps are available at time of purchase. Google Play store apps are not preinstalled and are available through the App Store. Selected apps may not be compatible on all Chrome devices. For more information go to www.google.com

[2] Full high-definition (FHD) content required to view FHD images.

[3] Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[4] For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 35GB of system disk is reserved for system recovery software.

[5] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

Specifications

Operating system	Chrome OS™
Product color	Ceramic white cover, mist blue base and keyboard frame
Processor family	Intel® Pentium® Gold processor
Processor	Intel Pentium® Gold 4415U (2.3 GHz, 2 MB cache, 2 cores)[6]
Memory	4 GB DDR4-2133 SDRAM (onboard)
Internal Storage	32 GB eMMC
Product design	Anodized aluminium cover and keyboard, with matte base finish
Optical drive	Optical drive not included
Graphics	Integrated
Graphics (integrated)	Intel® HD Graphics 610
Display	35.6 cm (14") diagonal FHD IPS BrightView micro-edge WLED-backlit (1920 x 1080)
Display	14" diagonal FHD IPS BrightView micro-edge WLED-backlit (1920 x 1080)
Display size (diagonal)	35.6 cm (14")
Display size (diagonal)	14"
Minimum dimensions (W x D x H)	32.54 x 22.68 x 1.6 cm
Keyboard	Full-size island-style keyboard
Pointing device	Touchpad with multi-touch gesture support
Wireless	Intel® Wireless-AC 7265 802.11ac (2x2) Wi-Fi® and Bluetooth® 4.2 Combo
Power supply type	45 W USB Type-C™ adapter
Battery type	3-cell, 60 Wh Li-ion polymer
Security management	Kensington MicroSaver® lock slot

Additional specifications

Memory and storage	4 GB memory; 32 GB eMMC storage
Processor speed	2.3 GHz
Product brand name	HP
Storage type	eMMC
