

Wireless Headset with Advanced Noise-Cancelling AI

With this wireless headset, enjoy crystal clear audio calls while in a noisy office or call center environment. Specially designed to pick up on the frequency of the human voice, this headset delivers superior call quality. Work efficiently throughout the day without having to worry about call quality or the limitations of a corded headset

FEATURES

- **WIRELESS DESIGN ALLOWS FOR MORE FREEDOM OF MOVEMENT WITH A RANGE OF UP TO 10 METERS / 32.8 FEET**
