

HyperX Alloy Core RGB - Gaming Keyboard (US Layout)

SIGNATURE HYPERX LIGHT BAR AND RGB STYLE FOR CORE GAMERS.

Featuring HyperX's signature radiant light bar, and smooth, dynamic RGB lighting effects, the HyperX Alloy Core RGB™ is ideal for gamers looking to enhance their keyboard's style and performance without breaking the bank. With six different lighting effects and three brightness levels, it balances both brilliance and budget. Crafted with a durable, reinforced plastic frame, the Alloy Core RGB was constructed for stability and reliability for gamers who want a keyboard that will last. The soft-touch keys have a tactile feel, yet are tuned to be quiet, and they also feature gaming-grade anti-ghosting functionality and key rollover. It's spill resistant, tested to withstand 120ml of liquid, so beverage accidents won't put an end to your game. The dedicated media controls and quick access buttons for lighting and Game Mode place control right at your fingertips. Keyboard Lock allows you to lock your keyboard down without having to put your entire system on standby. The Alloy Core RGB is stylish, nicely-featured, and durable, making it a great all-around multimedia keyboard for gamers.

Key features

Signature light bar with smooth, stylish RGB effects

Stunning radiance paired with six effect presets; Color Cycle, Spectrum Wave, Breathing, Solid, 5 Zones, and Aurora.

Quiet, responsive keys with anti-ghosting functionality
