

# Logitech G915 X Low-Profile Wired Gaming Keyboard

G915 X low-profile wired gaming keyboard offers the latest innovations in gaming technology with meticulously crafted design and curated materials. KEYCONTROL redefines industry innovation and allows you to set up to 15 functions per key. Low-profile GL switches unleash increased APM for even more speed.

## WHAT'S IN THE BOX

- G915 X gaming keyboard
- USB-A to USB-C power and data cable
- User documentation

## FEATURES

- **Full-Size Wired Gaming Keyboard:** The Logitech G915 X offers the latest innovations in gaming technology; sleek design and next-gen engineering elevate every level of performance
- **Master the Game Your Way:** Set up to 15 functions per key and remap commonly used commands to turn your keyboard into a personalized command center with KEYCONTROL
- **Speed and Precision:** Achieve speed, precision and comfort with low-profile GL mechanical switches; increase APM (actions per minute) rate with 1.3 mm actuation point and 3.2 mm total travel distance
- **Elevated Typing Experience:** With sand-blasted aluminum top plate and double-shot PBT keycaps, the G915 offers next-gen comfort with zero compromise to durability
- **Light Up the Game With LIGHTSYNC RGB:** Access ~16.8M colors to customize play and create themes; sync with other Logitech G gear in G HUB
- **Full Control:** This sleek, low-profile gaming keyboard features KEYCONTROL, nine advanced G keys, media controls, a volume roller, and a numpad, offering intuitive control so you can focus on play
- **Cutting-Edge Design:** Measuring only 23 mm high, this PC gaming keyboard offers increased control with a slim, sleek aesthetic
