Be Ready For Today™

Connect Rugged USB-C® Keyboard Folio for iPad

This durable keyboard simply and securely connects your iPad to a full-sized keyboard and trackpad via USB-C while protecting it from drops and water spills. Its accessible USB-C charging port and additional ports enhance functionality while retaining the slim, portable form that iPad users demand. The keyboard folio is for iPad (10th and 11th generation) and is especially suited for education environments.

Get peace of mind with military-grade drop protection up to 6.5 ft./2m

Protect against accidental spills with IPX51- water resistance

Turn your iPad into a laptop with a pry-resistant keyboard and multi-touch trackpad

View from a wide range of angles with a stand that tilts up to 80°

Choose between five different positions for drawing, typing, reading, taking photos or watching videos

Stay organized with built-in Apple Pencil or Logitech Crayon storage
