Visit hp.com/deskjetprinters for more information

1. Wireless operations are compatible with 2.4GHz and 5.0GHz operations only. Learn more at hp.com/go/mobileprinting. Supports both 5.0GHz and 2.4GHz using up to twelve non-overlapping channels vs. only three non-overlapping channels for 2.4GHz only. Supports 5.0GHz band (up to 150Mbps) vs. 2.4GHz band (up to 72.2Mbps). Internet access required and must be purchased separately. 2. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting. Certain features/software are available in English language only. Internet access required and must be purchased separately. Fax capabilities are for sending a fax only, and may require additional purchase. For more information, see hpsmart.com/mobile-fax. 3. Based on HP Instant Ink service 300-page plan (savings for other plans will be lower). Based on use of all pages in plan without purchase of additional sets of pages compared to cost per page (CPP) to print ISO/IEC 24711 pages on market majority of colour inkjet printers less than 200 Euro using original standard capacity cartridges as reported by IDC in Q1 2018. Survey based upon indicative manufacturers' supplies pricing as reported by SPIRE as of June 2018 and page yield listed on manufacturers' websites as of June 2018. For further details, please refer to hp.com/go/UKcompare. All prices include VAT. ISO yield based on continuous printing in default mode. Actual savings may vary depending on content of pages printed. For more information on ISO standards, see hp.com/go/pageyield. 4. Ordered by your printer when needed, subject to customer internet connection. Availability may vary in exceptional circumstances. Express deliveries available via Support Services, if you use more ink than anticipated. See hp.com/go/instantinksupport for troubleshooting assistance and contact support options. 5. Compared to majority of OEM mobile printing apps for inkjet and laser printers and all-in-ones for home and home office, priced less than or equal to €429.99 Euros/£360 Pounds. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Claim based on lab testing and research of printer manufacturers' mobile print apps and Keypoint Intelligence – Buyers Lab study commissioned by HP. See September 2018 report at keypointintelligence.com/HPSmartApp. 6. The free printing plan allows you to print 15 pages per month at no cost (paper and Internet connection not included) for the life of your printer. Overage pages are excluded and will be charged to customer payment method at the end of the month at a rate of £1 per each additional set of 10 pages (customer to be charged £1 for each set even if customer doesn't use entire set). HP reserves the right to modify or cancel the free printing plan anytime on 60 days notice. This offer cannot be redeemed for cash except as required by law. Additional information available in HP Instant Ink terms at HP Instant Ink Terms of Service. 7. USB cable not included; purchase separately. 8. HP DeskJet Plus 4100 only. 9. Print speeds vary by model. 10. Made with more than 20% recycled plastic by weight.
