HP Officejet 6000 Printer Series

Overview

The HP Officejet 6000 Printer series delivers business documents with outstanding quality and durability for up to 40 percent less cost per page and energy use than lasers.[1] This ENERGY STAR® qualified printer series also offers a multitude of features including embedded wired and wireless[2] networking to enhance productivity in a small or home office.

Key features and benefits

- Print professional color documents at up to 40 percent less cost per page and energy use than competitive lasers, using HP Officejet inks.[1]

- Enjoy print speeds as fast as 32 pages per minute (ppm) black and up to 31 ppm color, and laser-comparable speeds up to 7 ppm black and color.[3]

- HP Officejet inks, specially designed for business use, and plain papers with ColorLok technology produce professional-quality, durable documents that retain black text and color quality for decades without fading.[4]

- Eliminate cables and easily share the HP Officejet 6000 Wireless Printer series, which features embedded wired and wireless 802.11g networking[2] for up to five users.

- Enhance office productivity with a 250-sheet input tray.

- Save resources and money with features like two-sided printing[5] and HP Smart Web Printing,[6] which optimizes printing from the web, allowing consolidation and organization of pages for simple, predictable web printing.

- Save money with high-capacity, individual HP Officejet ink cartridges that yield more printed pages and require fewer cartridge replacements.[7]

- Produce high-quality documents in the office using HP's full line of specialty matte and glossy HP brochure papers, designed specifically for small businesses.

- Responsibly recycle printers through the HP Consumer Buyback and Planet Partners Recycling Program.[8]

HP Officejet 6000 Printer series

- The HP Officejet 6000 Printer is the base model and offers fast print speeds and embedded wired networking.

- The HP Officejet 6000 Wireless Printer includes all of the features of the HP Officejet 6000 Printer, plus automatic two-sided printing and embedded wireless networking.

Supported supplies[9]

- HP 920 Black Officejet Inkjet Cartridge (CD971A): $19.99

Pricing and availability[10]

HP Officejet 6000 Printer: $89

HP Officejet 6000 Wireless Printer: $119

Expected to be available June 2009 for purchase worldwide.

[1] Compared with the majority of color laser printers priced less than $300, June 2008; details are available at www.hp.com/go/officejet. Officejet ISO yield with highest-capacity cartridges based on continuous printing; additional information is available at www.hp.com/go/learnaboutsupplies. Energy use based on HP testing using the ENERGY STAR program's TEC test method criteria.

[2] Wireless networking not available on base model. Wireless performance is dependent upon physical environment and distance from access point.

[3] After first page; Based on ppm measured using ISO/IEC 24734. Standard applies to inkjet and laser products and excludes first set of test documents. For details, see www.hp.com/go/inkjetprinter

[4] Based on HP internal testing, using papers with the ColorLok logo. Fade claims based on paper industry predictions for acid-free papers and Original HP inks; colorant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909.

[5] Automatic two-sided printing not available on base model.

[6] Requires Microsoft® Internet Explorer 6.0 – 8.0.

[7] High-capacity cartridges not included, please purchase separately.

[8] HP ink cartridge return and recycling is available in more than 40 countries and territories around the world, covering 88 percent of the addressable market; details are available at www.hp.com/recycle.

[9] U.S. estimated street price, actual prices may vary.
