**Features**

- Designed exclusively for Surface, in collaboration with Microsoft, so you can be sure that the privacy screen will work perfectly with your 13.5" Surface Laptop 2 or 3.
- Conveniently and easily attaches to the Surface Laptop's magnetic frame. Avoids potentially damaging adhesives from being used, and eliminates any setup process.
- Reversible — one side has a matte finish to reduce glare and fingerprints. The other side is glossy and provides a clearer view of the monitor.
- Limited viewing angle narrows the field of vision to +/- 30 degrees, helping keep the information on your screen private and reducing the chances of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns. Low reflective coating reduces glare for improved clarity.
- Touch and Surface Pen enabled, so you can use your Surface Laptop just as you would without a privacy screen.
- Cleaning cloth and protective case help keep your screen clean and prevent scratches when not in use.
- Two-year warranty means you can rest assured knowing you're covered by Kensington.
