

Fact sheet

HP Photosmart C7180 All-in-One Printer, Fax, Scanner, Copier

Overview

The HP Photosmart C7180 All-in-One Printer, Fax, Scanner, Copier, based on HP's scalable printing technology, features leading scanning and wireless innovations for unparalleled ease-of-use. With a built-in slide and negative adapter and six economical, individual ink cartridges, this all-in-one allows users to print and reprint photos with superior quality and speed. The Photosmart C7180 All-in-One also provides multiple ways to print from camera phones⁽¹⁾, notebooks and other devices with Bluetooth wireless technology, or share with multiple PC/Macs on an Ethernet network.

Key Features and Benefits

- Six-ink printing with HP Vivera Inks produces rich and realistic photos that resist fading for generations⁽²⁾
- Efficiently designed individual ink cartridges allow users to replace only the ink colors used – ideal for high-volume printing
- HP Photosmart Express button makes completing your digital photography experience fast and easy – view, print, share and save
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects
- HP Real Life technologies allow users to edit photos directly on the all-in-one to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home
- Color and black & white copies and photo reprints without a computer
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch⁽³⁾ with or without borders
- Walk-up and print using the large 3.6-inch QVGA color image display -- control panel adjusts for optimal viewing from any angle
- Automated 4 x 6-inch tray for dedicated photo printing
- Use the HP Document Viewer to easily view, manage and annotate photos and documents
- Print lab-quality photos without a computer directly from PictBridge-enabled cameras using convenient front USB port in as fast as 12 seconds
- Built-in Bluetooth wireless technology and Ethernet wired/wireless networking enable easy sharing of printing, faxing, scanning, and copying capabilities on a small computer network
- Oversized, 8.5 x 12-inch scanning glass, built-in slide and negative adapter, and dust and scratch removal capabilities
- HP auto paper type sensor optimizes print and copy quality for various papers
- Easily personalize any CD or DVD with colorful photos and text printed directly onto HP CD/DVD Tattoos⁽⁴⁾
