Product Description

The SA135 Privacy Screen for Surface Book 13.5" helps protect your privacy, without any mess or fuss. Easy to detach and reattach, the screen conveniently attaches to the Surface Book's frame with pre-applied adhesive. Protects privacy by limiting viewing angle to +/- 30°. Reduces harmful blue light by up to 22% and improves clarity.

Features

- Designed exclusively for Surface and built in collaboration with Microsoft for exceptional quality, form, fit, and function.
- Seamless adhesive integration conveniently attaches to the Surface Book's frame and eliminates any setup process.
- Limited viewing angle narrows the field of vision to +/- 30 degrees, helping keep the information on your screen private, reducing the chances of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns, while low-reflective coating improves clarity.
- Touch and Surface Pen enabled, allowing you to use your Surface Book just as you would without a privacy screen.
- Included cleaning cloth helps to keep screen clean and dust-free.
- Applies to matte side
