

Clamp-On Storage Drawer

Keep supplies out of the way, yet easily with reach.

K52175WW

Product Description

Declutter your desk and keep office supplies out of the way, yet easily within reach, with the Clamp-On Storage Drawer. Solid, stable, non-permanent C-clamp design installs in minutes with no tools or modifications to the desk or table — just clamp and go. Smooth-moving rail with two level adjustments provides ample tray clearance to accommodate everything from slim and mechanical gaming keyboards; to standard and vertical mice; to trackballs; to pens, markers, pads, and notebooks. Fits desks and tables up to 1.77" (4.5 cm) and has a 26.4 pound (12 kg) weight capacity. TAA-compliant.

Features

- Sturdy, stable, non-permanent C-clamp design installs in minutes with no tools, modifications, or damage to the desk or table — just clamp and go. Fits desks and tables up to 1.77" (4.5 cm) and has a 26.4 pound (12 kg) weight capacity.
- Helps keep your desktop neat and organized by conveniently storing keyboards, mice, trackballs, pens, markers, pads, notebooks, and more, keeping them out of the way, but easily within reach.
- Smooth-moving rail makes the drawer easily accessible, and offers two levels of height adjustment to provide ample clearance for storage items.
- TAA-compliant, so it's ready for use in U.S. Federal Government institutions and organizations.
