

HyperX Cloud Stinger - Gaming Headset - PS5-PS4 (Black-Blue)

LIGHTWEIGHT COMFORT. HEAVYWEIGHT SOUND.

HyperX Cloud Stinger™ is an Official PlayStation® Licensed headset, perfect for PS5™ and PS4™ gamers looking for comfort, superior sound quality, and convenience. It's lightweight and features signature HyperX memory foam for legendary comfort during marathon gaming sessions. Its 90° rotating ear cups can rest comfortably around your neck during breaks. 50mm directional drivers pump out high-quality sound with pinpoint audio precision to keep you immersed in gaming. For added convenience, the headset has a volume slider on the ear cup and a swivel-to-mute noise-cancellation microphone.

Key features

Official PlayStation® licensed headset

Connects directly to PS5™ and PS4™ controllers with a 3.5mm port with guaranteed compatibility.

Immersive in-game audio

50mm directional drivers pump out high-quality sound with pinpoint audio precision to keep you immersed in gaming.

Adjustable steel sliders

The high-quality, steel sliders are built for long-lasting durability and stability.

Swivel-to-mute noise-cancellation microphone

Conveniently mute the microphone by flipping it up and out of the way. The built-in passive noise-cancellation reduces background noise for clearer voice quality.

Lightweight headset with 90° rotating ear cups

The headset is lightweight, so it won't weigh you down during long gaming sessions. With the ear cups rotated, the headset can rest comfortably around your neck during breaks.

HyperX signature comfort

Play in comfort for hours with HyperX signature memory foam.

Onboard volume slider

The volume slider is located on the bottom of the right ear cup, making it easy to access and adjust the audio volume.
