Samsung SCX-5530FN

imagine finding a smarter, simpler path to the end of every workday.

Samsung SCX-5530FN

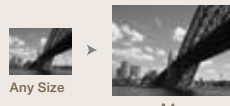

Digital duplex copier, laser printer, color scanner and high-speed fax.

The network-ready SCX-5530FN combines the power of four full-function office machines into a single space-saving, time-saving, money-saving unit that boosts your business with the almighty power of efficiency. It copies quickly, prints quickly, scans quickly and faxes quickly. It has clever features that let you do more than you've ever done before. And it consistently delivers professional results. With the Samsung SCX-5530FN, it's not hard to imagine.

A full-featured copier.

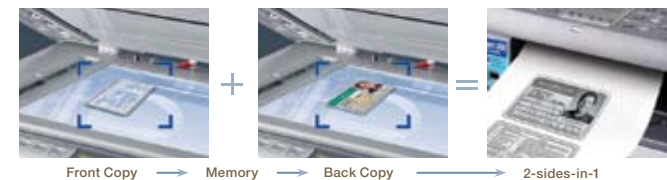

Quick, Clear Copies Copy speeds up to 30 cpm combine with 600 dpi effective resolution to deliver professional-quality duplicates fast.

Clever Features Easy one-button features will forever expand your expectations of a copier.

Auto-Fit Copying	Poster Printing	Clone Copying	N-UP Printing
Easily reduce or enlarge any document to fit perfectly on a single sheet.	Transform a standard-size original into a multi-page poster.	Copy a small image several times onto one sheet.	Reduce 1, 2, 4, 6, 9 or 16 pages onto a single page.
			

Exclusive ID Card Copy Easily copy the front and back of identification cards like medical insurance cards and driver's licenses onto the front of a single page.

ID Card Copy (2-sided-in-1 Copy)

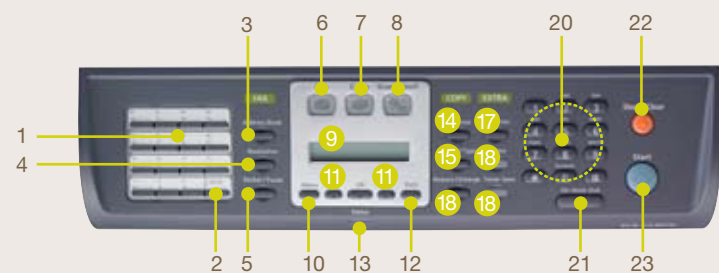

50-Sheet Automatic Document Feeder Instead of copying one page at a time, the ADF lets you insert a stack of pages, press a button and grab a cup of coffee.

Two-Sided Output Combined with the ADF, automatic duplexing makes it easy to copy two single-sided documents onto a double-sided document that requires just half the paper.

Simple, Intuitive Interface An informative LCD panel and one-touch buttons for frequently used features make all your moves smooth.

A fast, flexible laser printer.

High-Resolution, High-Quality With 1200 dpi effective output, the SCX-5530FN delivers the document quality you expect from the world's second-largest laser print engine manufacturer.

High Speed The first print is out in less than 9 seconds and the rest follow at up to 30 ppm. A generous (and expandable) 96 MB memory provides the capacity to handle big, complex documents.

OS Friendly Built-in Windows, Mac and Linux compatibility means everyone in the office gets to be more productive.

An uncommonly powerful scanner.

Crisp Color Scanning With up to 600 x 600 dpi optical and 4800 x 4800 dpi enhanced scanning resolution, the SCX-5530FN captures photo-quality color and sharp black and white text.

Scan to Email Easily scan images directly into an email message for quick sharing.

Scan to Network You can quickly scan hard copies to any file on the network.

Scan-and-Edit OCR Included Optical Character Recognition software lets you convert hard copies into digital text files, eliminating the need to completely re-key.

SmartThru™ V4 Software

A more valuable fax machine.

Fast Faxing The Super G3 33.6 Kbps modem can transmit full pages in as fast as 3 seconds. Combined with a 1.5-second scan speed, you can send even lengthy documents on their way in a hurry.

Color Scan and Send In addition to 400 x 400 dpi black-and-white faxing, the SCX-5530FN will transmit in full color at up to 200 x 200 dpi resolution.

PC Fax-Send Instead of printing a file then faxing it, you can fax the document straight from your computer.

One-Touch Dialing The SCX-5530FN features 30 one-touch dial buttons and 240 speed dial locations. And group dialing makes it easy to fax the same document to several machines.

Max Memory A generous 6 MB fax memory stores up to 480 pages.

And all the valuable extras.

Low Cost of Ownership A low 1.5-cent cost per page makes the SCX-5530FN the smartest purchase in the category. And with one-touch features like PowerSave, PaperSave, TollSave and TonerSave, which can extend the life of your toner cartridges up to 40%, you've got the power to drive that cost down even further.

Network Synergies Take advantage of the 10/100 Base-TX network connectivity, and the SCX-5530FN becomes an integrated part of your network, delivering extended print, scan and fax functionality. Or connect directly with USB 2.0 and IEEE-1284 parallel ports.

High Capacity A 250-sheet cassette and 50-sheet multipurpose tray combine with an optional 250-sheet cassette to deliver paper capacity of up to 550 sheets.

Powerful Software Included Our SyncThru™ software provides efficient PC-based device management. And SmartThru™ V4 software provides scan-and-edit OCR functionality and other valuable document handling applications.

Award-Winning Reliability Samsung laser office machines are perennially recognized for their superior reliability and dependability.

Fly Direct

USB Memory Interface A front-mounted USB port makes it easy to scan-and-save or print documents directly to or from a common USB flash drive. Perfect for office users not connected to the SCX-5530FN, plus library, school and other high-traffic applications. Compatible file formats include JPEG, BMP, PDF and TIFF.
