

This printer is an ideal solution for businesses in need of a cost effective, low volume check printing solution. The compact size and versatility accommodate standard print and check printing needs, with print speeds up to 22 pages per minute and a 250 sheet input tray.

## Benefits

### Compact & Lightweight

Desktop design is ideal for low volume print environments.

### Versatile

Provides small businesses with the ability to print checks and standard print jobs from one printer.

### Cost Effective

MICR features produce complete checks which eliminates the need for preprinted check stock.

### Reliable

Patented TROY MICR Ink ensures optimal check printing and MICR line quality.
