TYPE-C MULTI-PORT ADAPTER 4K WITH ETHERNET V2

ADDS A PLETHORA OF CONNECTIONS TO YOUR LAPTOP OR DESKTOP

With all the same peripherals of the previous model but with several changes to ensure a consistent connection and stable data transfer. Featuring an upgraded Micro SD card slot and refined aluminum design for a user-friendly experience. Now, feel the "click" when your Micro SD card has been properly inserted for a consistent connection. Included pass-through charging port, you won't have to worry about sacrificing another USB-C port.
