

MX Master 3S for Business

The MX Master 3S for Business is our iconic mouse, now even better.

For busy ITDMs it offers more security, flexibility and compatibility. Logi Bolt addresses rising security needs with fully encrypted Secured Connections Only mode that's FIPS compliant and robust even in congested wireless environments. Centrally manage DFUs and mass deployment with Logi Options+. And it's certified in 100+ countries with support for IT pros. For workers, its 8000 DPI "Darkfield" tracking makes work on high-resolution monitors faster and more accurate—even on glass. MagSpeed Scrolling zips down 1000 lines of code or spreadsheet cells in just a second. Or with line-by-line precision. Its ergonomic design lessens forearm fatigue with a sculpted shape that cradles the hand for all-day comfort. It's also quiet with Quiet Click technology reducing click noise by 90% for less distraction and better focus for everyone.

WHAT'S IN THE BOX

MX Master 3S for Business mouse
Logi Bolt USB Receiver (USB Type A)
USB-C Charging Cable
User Documentation

FEATURES

Works On Any Surface: Hit the right pixel every time with the Darkfield 8000 DPI laser sensor. This mouse tracks with incredible precision—even on glass

MagSpeed Scrolling: MX Master 3S zips down 1000 lines of code or spreadsheet cells in just a second and gets line-by-line pixel-by-pixel precision

Comfort Design: Work better, faster, and with less forearm fatigue with a hand-sculpted cordless mouse that cradles the hand for all-day comfort

90% Quieter: Quiet Click technology makes this quiet mouse ideal for open-plan work areas, reducing click noise by 90% for less distraction and better focus
