

Yoga Slim 9i (14", 10)

Borderless creativity

Let nothing come between you and your creative vision with the Yoga Slim 9i. Packed with serious innovation, from the world's first camera-under-display (CUD) and 98% screen-to-body ratio to sleek gradient glass. The 14" 4K OLED display and Intel® Core™ Ultra processor deliver powerful performance, battery life, and security for your nonstop grind.

98% Screen, 0% Distractions

Use the Yoga Slim 9i without distractions. Don't need the camera? With camera-under-display (CUD), you get pure, uninterrupted screen—no notch, no island, just a 98% active screen ratio. The camera stays hidden until needed, creating a sleek, immersive experience. With tough glass and a head-turning design, this innovation moves with your pace.

See Beyond the Ordinary

With a 14" 4K 120 Hz OLED screen, you'll get ultrasmooth epic visuals and a wider view for everything from gaming wins to creative visions. The color accuracy is unmatched—Delta E<1, 100% sRGB and DCI-P3 ensure every shade is spot on as you make content. Plus, with TUV Low Blue Light and EyesafeR Display certifications, it's easier on your eyes, so you can stay focused longer without the strain.

Signature Style and Strength in Every Detail

Make waves and send a bold, beautiful statement with this slim and lightweight Yoga Slim 9i, combining signature strength and style. The 3D swirling cat-eye effect on the cover makes your style pop from every angle, reflecting light beautifully. Its Tidal Teal finish and reinforced impact-resistant cover glass, engineered to handle pressure, ball drops, and scratches, ensure it's built to withstand anything your day throws at you.

More than a PC, it's an AI PC.

The latest Intel® Core™ Ultra processors enable the most AI experiences like helpful productivity assistants, text and image creation and collaboration effects to make everything you do easier, faster, better now and for years to come. And with hours of battery life and built-in security protections, you can be confident to take on anything.

NOTEABLE MENTIONS

- EPEAT® Gold-registered⁴
- ENERGY STAR® Rated
- Carbon Neutral Certified
- Plastic-free Packaging
- 50% Recycled Aluminum in the Bottom Cover
- MIL-STD 810H Passed

¹ All battery life claims are approximate and based on two methods of testing: continuous Local Video Playback and Web Browsing @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Height is calculated using T2 measurements and should be considered 'as thin as'.

³ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, may be slower than a speed of 20 Gbit/s.

⁴ EPEAT®-registered where applicable - see www.epeat.net for registration status by country.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services - an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
