HP Essential Flat Panel Monitors

The HP L1506, L1706 and L1906 Flat Panel Monitors are the latest additions to HP's award-winning line of entry-level LCD monitors. Available in 15-, 17- and 19-inch screen sizes, each model delivers essential features and high-quality performance at an affordable price – ideal for general office applications, especially space-constrained environments

Excellent value with no compromise on performance and reliability
A combination of HP quality, affordable pricing and reduced power consumption makes these ideal CRT replacements, delivering an excellent return on investment. With no compromise on performance they provide sharp images with anti-glare and flicker-free visibility from a wide range of viewing angles.

Simple and user-friendly features
Plug and Play convenience means easy set-up, a wide range of icon-based display controls allows users to customise each monitor to match their preferences with one-button ease. Features such as wide viewing angles and a full range of tilt settings make it simple to find a comfortable viewing position. Fully detachable bases make these monitors easy to mount, and their slim, stylish, lightweight profiles simplify handling and portability. An HP Sound Bar (sold separately) can be attached seamlessly to the front bezel adding full multimedia support features.

Assured compatibility
HP monitors undergo extensive compatibility testing to ensure guaranteed out-of-the-box compatibility with HP business PCs, workstations, notebooks and thin clients. This means when you purchase an HP monitor as part of an HP system, you get end-to-end product serviceability and support with just one call.

HP Display LiteSaver
HP Display LiteSaver software helps protect against image retention, drastically lower power consumption and energy costs, and extend the life span of the monitor.

Environmentally friendly
HP monitors meet stringent worldwide environmental, ergonomic, ecological, and recycling standards, including Energy Star and TCO.

Essential business features and performance at an affordable price
