

C13 to C14 power cable 2m

Part no. **PC-C13C14-002W**

The ProXtend PC-C13C14 power cord enables a connection between a female C13 connector, and a male C14 connector.

Cable type	H05VV-F
Connector 1 type	C13
Connector 1 gender	Female
Connector 1 form factor	Straight
Connector 1 lockable	No
Connector 2 type	C14
Connector 2 gender	Male
Connector 2 form factor	Straight
Connector 2 lockable	No
Suitable for use in country/location	Europe
Cable length	2m
Cable color	White
Conductor material	Copper
Jacket material	PVC
Core size	0.75mm ²
No. of cable cores	3
No. of conductors	24
Overload protection	No
Input voltage	250V
Input current	10A
Operating temperature	-15° - 60°C
Storage temperature	-20° - 70°C
Plug and play	Yes
Certification	VDE, RoHS, REACH, LVD
Country of origin	China
