Model #: SR12UB

SmartRack 12U Extra Depth Rack Enclosure Cabinet

Highlights

- 12U with adjustable front and rear verticle rackmount rails
- Adjustable depth up to 33" inches
- Locking, reversible front door and locking, removable side panels
- Fully assembled for quick installation

Description

SmartRack enclosures are designed for secure, high density server and networking applications in IT environments. Designed with provisions to integrate cooling, power distribution and cable management, SmartRack enclosures make ideal homes for mission-critical equipment. Ventilated front door and side panels allow generous airflow to keep equipment operating safely. Adjustable rack rails with square mounting holes accomodate up to 12U of standard 19" rackmount equipment. Extended depth to 33" offers heavy duty construction to handle added leverage. Supports up to 140lbs of equipment. Top and bottom panels include convenient cutouts for cable routing.

Features

- 12U extra deep enclosure
- Adjustable mounting depths from 3" to 33" inches
- Locking, reversible front door
- Locking, removable side panels
- Top and bottom panel cable access openings
- Fully assembled for quick installation
- Preinstalled casters and leveling feet
- 5 year warranty
