Perfect for waiting rooms, lobbies, and information desks of any kind, the Security Swan Neck Stand turns your tablet into a protected floor stand kiosk. The slide-adjustable tablet holder grips your tablet by its corners, protecting from theft with a lock and key. This unique open design allows full access to your tablets ports, buttons, and cameras. The holder tilts 180 degrees and rotates a full 360 degrees for portrait and landscape displays. Standing 45 inches tall, this heavy-duty floor stand boasts a hollow interior for clean charge cable routing, plus a weighted base equipped with slip and scratch resistant padding. The middle section of the swan neck can be removed for an optional desk-height floor stand.
