

HP Elite 6 G2i 14 inch Chromebook Plus

Cloud-based AI power meets rugged simplicity

Work smart, create fast, connect almost anywhere with the sleek, durable HP Elite 6 G2i Chromebook Plus with Google Chromebook Plus AI experiences- ideal for cloud-based educators and professionals. Simple to secure and manage with Chrome OS.³

Designed for teachers, trusted by enterprises

Rise to the needs of educators and enterprises with resilient hardware that offers classroom durability and commercial-grade performance in a Chromebook Plus device with AI tools and cloud workflows that scale from lesson plans to pitch decks.

Stay in sync with expansive connectivity

Future-ready workflows require reliable connectivity, and the HP Elite 6 G2i Chromebook Plus keeps you connected with RJ-45, 5G⁵, Wi-Fi 6E/7^{6,7}—whether teaching remotely, collaborating in shared spaces, or working securely in the office.

Security and Simplicity from the OS up

The HP Elite 6 G2i Chromebook Plus is easy to deploy, secure by design, and simplifies the user experience with Chrome OS³ and centralized, cloud-based controls that make fleet management and policy enforcement effortless for IT teams.

*Product image may differ from actual product

Sustainability in action

Help protect our shared future

Designed with efficiency in mind, this PC is built to be EPEAT Climate+ Gold registered⁸ and ENERGY STAR[®] certified, with a 50% recycled aluminum⁹ cover and packed in 100% sustainably sourced or recycled packaging.¹⁰

Featuring

Designed for teachers, trusted by enterprises

Rise to the needs of educators and enterprises with resilient hardware that offers classroom durability and commercial-grade performance in a Chromebook Plus device with AI tools and cloud workflows that scale from lesson plans to pitch decks.

Stay in sync with expansive connectivity

Future-ready workflows require reliable connectivity, and the HP Elite 6 G2i Chromebook Plus keeps you connected with RJ-45, 5G⁵, Wi-Fi 6E/7^{6,7}—whether teaching remotely, collaborating in shared spaces, or working securely in the office.

Security and Simplicity from the OS up

The HP Elite 6 G2i Chromebook Plus is easy to deploy, secure by design, and simplifies the user experience with Chrome OS³ and centralized, cloud-based controls that make fleet management and policy enforcement effortless for IT teams.

Help protect our shared future

Designed with efficiency in mind, this PC is built to be EPEAT Climate+ Gold registered⁸ and ENERGY STAR[®] certified, with a 50% recycled aluminum⁹ cover and packed in 100% sustainably sourced or recycled packaging.¹⁰

ChromeOS simplicity

Breathe easy with the low-maintenance, highly manageable and secure ChromeOS. With automatic software updates through June 2033 and built-in anti-virus protection, your device stays protected and up to date.³

Unlock your potential with Chromebook Plus

Step up to a higher standard in computing with Chromebook Plus, where premium hardware meets the intelligence of Google AI with features like Help Me Write and Magic Editor for professionals and educators that demand more than the basics.

Powerful Intel[®] processor

Get the perfect combination of power, snappy performance, and value for your HP Elite 6 G2i Chromebook Plus with an Intel[®] Core™ processor.²

Crisp, colorful visuals with eye comfort in mind

Take in sharp visuals whether grading papers or tracking spreadsheets on a 14-inch diagonal 16:10 display featuring slim bezels, anti-glare, and low blue light technology. Experience available 2.5K clarity with optional touch screen.^{11,12}

Memory capable of swift multi-tasking

Handle demanding workloads or robust curriculums effortlessly with available 32GB of LPDDR5 memory¹¹, providing swift and reliable data transfer rates for smooth multitasking across ChromeOS apps³, video calls, and AI-enhanced tools.

Memory configurations to match your speed

Make more files available offline with local back-ups using the storage option that fits your needs: Gen4 NVMe SSDs up to 1TB¹¹ for top-tier speed you can depend on for sizeable workloads, or 128GB UFS¹¹ for budget-friendly performance.

Responsive tech right at your fingertips

Premium control features, including spill-resistant keyboard built for long-term reliability with low-profile keys for quiet, responsive typing and a precision clickpad for smooth, accurate tracking and multi-touch gestures.

Stay connected to the peripherals you care about

Designed for balancing versatility and simplicity with dual USB-C[®] for power delivery and displays and USB-A for peripherals with 10Gbps signaling. Expand your setup even more with an HDMI, RJ-45, audio combo jack, and security lock slot.

Capture all the details

Whether on a conference call, recording video, or taking photos, the optional 5MP camera¹¹ brings exceptional clarity and contrast to your images, even in low light environments.

Power that can keep up with portable workflows

Enjoy long-lasting performance with 56Whr or 68Whr battery options¹¹, HP Fast Charge¹³, and USB-C power delivery in 45W and 65W AC adapter options, ideal for professionals who need reliable power to keep up with on-the-go multitasking.

Clarity in virtual collaboration

Elevate team projects and virtual conferencing with built-in dual speakers expertly tuned for crisp audio, dual microphones enhanced by AI noise reduction for clear, reliable video calls.

HP Elite 6 G2i 14 inch Chromebook Plus

Technical specifications

Available Operating Systems	ChromeOS Plus
Processor family	Intel® Core™ 7 processor Intel® Core™ 5 processor Intel® Core™ 3 processor
Available Processors	Intel® Core™ 5 120U (up to 5 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads) with Intel® Graphics Intel® Core™ 3 100U (up to 4.7 GHz with Intel® Turbo Boost Technology, 10 MB L3 cache, 6 cores, 8 threads) with Intel® Graphics Intel® Core™ 7 250U (up to 5.4 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads) with Intel® Graphics Intel® Core™ 5 220U (up to 5 GHz with Intel® Turbo Boost Technology, 12 MB L3 cache, 10 cores, 12 threads) with Intel® Graphics
Product colour	Pike silver
Maximum memory	32 GB LPDDR5x-8533 MT/s; (Transfer rates up to 5200 MT/s.) Memory soldered down.
Internal storage	256 GB up to 1 TB PCIe® NVMe™ M.2 SSD ⁵ 128 GB UFS ⁵
Display size (diagonal, metric)	35.6 cm (14")
Display^{10,11,12,13,14,18}	14" diagonal, WUXGA (1920 x 1200), touch, IPS, anti-glare, 300 nits, low power, 62.5% sRGB; 14" diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 300 nits, low power, 62.5% sRGB; 14" diagonal, 2.5K (2560 x 1600), IPS, 120 Hz, anti-glare, 400 nits, 100% Adobe RGB and 100% DCI-P3 with HP Eye Ease 35.6 cm (14") diagonal, WUXGA (1920 x 1200), touch, IPS, anti-glare, 300 nits, low power, 62.5% sRGB; 35.6 cm (14") diagonal, WUXGA (1920 x 1200), IPS, anti-glare, 300 nits, low power, 62.5% sRGB; 35.6 cm (14") diagonal, 2.5K (2560 x 1600), IPS, 120 Hz, anti-glare, 400 nits, 100% Adobe RGB and 100% DCI-P3 with HP Eye Ease
Available Graphics	Integrated: Intel® Graphics
Audio	Audio by Poly Studio, dual stereo speakers, dual array microphones
Ports and connectors	1 HDMI 2.0; 1 stereo headphone/microphone combo jack; 1 RJ-45; 1 nano security lock slot; 2 USB Type-A 5Gbps signaling rate (powered); 2 USB Type-C® 10Gbps signaling rate (USB Power Delivery, DisplayPort™ 1.4)
Input devices	Spill-resistant, optional backlit keyboard with DuraKeys ¹⁵ ; Clickpad with multi-touch gesture support, taps enabled as default; Hall effect sensor ¹⁰
Communications	(Chromecast support ⁸); ; Intel® Wi-Fi 6E AX211 (2x2) and Bluetooth® 5.3 wireless card with external antenna; Intel® Wi-Fi 7 BE200 (2x2) and Bluetooth® 5.4 wireless card, non-vPro®; HP R15 5G Solution
Camera	5 MP camera; FHD camera (select models) ¹⁰
Software	HP Support Assistant; Chrome Education Upgrade ²⁰ ; Chrome Enterprise Upgrade ²¹
Security management	Zero Touch Enrollment ²² ; Security lock slot ²³ ; Dauntless Security Chip
Fingerprint reader	Fingerprint sensor (select models)

HP Elite 6 G2i 14 inch Chromebook Plus

Technical specifications

Memory card device	1 nano SIM (optional)
Power	HP 65 W USB Type-C® GaN power adapter; HP 45 W USB Type-C® GaN power adapter; HP 65 W wall mount USB Type-C® GaN Halogen-free power adapter ¹⁸
Battery type	HP Long Life 3-cell, 56 Wh Li-ion polymer; HP Long Life 3-cell, 68 Wh Li-ion polymer ¹⁶ ; Battery is internal and not replaceable by customer. Serviceable by warranty. Fast charging 50% in 30 minutes. ¹⁷
Battery life	Up to 17 hours and 30 minutes
Dimensions	12.54 x 8.83 x 0.67 in (rear); 12.54 x 8.83 x 0.47 in (front); 31.86 x 22.43 x 1.18 cm (front); 31.86 x 22.43 x 1.68 cm (rear); (Front height measurement is near the front edge where the chassis bottom cover taper begins. Back height measurement is near the back edge where the chassis bottom cover taper ends.) ⁵² ; Maximum Height: 0.82 in; 2.09 cm
Weight	Starting at 2.93 lb; Starting at 1.33 kg; (Weight will vary by configuration. Does not include power adapter.)
Ecolabels	EPEAT® registered configurations available; TCO Certified configurations available; EPEAT® Gold registered in the U.S. ¹⁹
Energy star certified	ENERGY STAR® certified
Certification and compliance	CSA/UL 62368-1; FCC/ICES/CISPR/VCCI; CE Marking; Taiwan BSMI/NCC; Korea KCC/KC/KES; Ukraine NSoC/TEC; EAEU Compliance; Saudi Arabian Compliance; WW RoHS; MIL-STD 810H
Warranty	1-year warranty and 90 day software limited warranty options depending on country. HP Worldwide Limited Warranty for the battery is aligned with the warranty period of the HP Hardware Product. Refer to http://www.hp.com/support/batterywarranty/ for additional battery information. On-site service and extended coverage is also available. HP Care Pack Services are optional extended service contracts that go beyond the standard limited warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc .

HP Elite 6 G2i 14 inch Chromebook Plus

Footnotes

Messaging Footnotes

- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ² Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
- ³ Subject to Google ChromeOS Auto-Update Policy- See <https://support.google.com/chrome/a/answer/6220366?hl=en> for more information.
- ⁵ HP 5G module is optional and must be configured at the factory. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
- ⁶ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows 11 OS, compatible processor, and separately purchased Wi-Fi 7 router to support backwards compatibility with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- ⁷ Wi-Fi® supporting gigabit data rate is achievable with Wi-Fi 7 (802.11BE) when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 160MHz channels.
- ⁸ EPEAT tier levels may vary by country. See www.epeat.net for registration status and tier levels by country.
- ⁹ Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
- ¹⁰ HP paper and fiber based packaging for PCs, displays, home and office print, and supplies is reported by suppliers as recycled or certified, with a minimum of 97% by volume verified by HP. Packaging is the box that comes with the product and all paper-based materials inside the box. Packaging for commercial print, industrial, and 3D products, scanners, personal systems accessories, and spare parts is not included.
- ¹¹ Optional feature that must be configured at the time of purchase.
- ¹² All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary, either higher or lower.
- ¹³ Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.

Specification Footnotes

- ² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.
- ⁴ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.
- ⁵ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
- ⁶ Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 6E is supported. Wi-Fi 6E is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.
- ⁷ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows OS, select Intel® processor, and a Wi-Fi 7 router, sold separately. Wi-Fi 7 is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.
- ⁸ Chromecast must be purchased separately.
- ⁹ 5G module is optional and must be configured at the factory. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
- ¹⁰ Sold separately or as an optional feature.
- ¹¹ WUXGA (FHD+) content required to view WUXGA (FHD+) images.
- ¹² Resolutions are dependent upon monitor capability, and resolution and color depth settings.
- ¹³ Actual brightness will be lower with touchscreen.
- ¹⁴ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ¹⁵ Backlit keyboard is an optional feature.
- ¹⁶ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
- ¹⁷ Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/-10% due to System tolerance.
- ¹⁸ Availability may vary by country.
- ¹⁹ Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
- ²⁰ Chrome Education Upgrade requires one-time setup, subscription, Google Admin Console, and your organization's domain. Please see <https://support.google.com/a/answer/60216https://support.google.com/a/answer/60216>.
- ²¹ Chrome Enterprise Upgrade requires one-time setup, subscription, Google Admin Console, and your organization's domain. Please see <https://support.google.com/a/topic/1409901>.
- ²² ZTE requires separately purchased HP Get More Service. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
- ²³ Lock is sold separately.
- ²⁴ HP Fingerprint Sensor is an optional feature and requires configuration at purchase.
- ⁵² Typical dimension. Actual dimension may vary +/- 0.5mm. Height may vary based on configuration. Maximum Height does not include Rubber feet.
