4Vu™ Privacy Screen for Dell Latitude™ 7320 2-in-1, Landscape

- Protects private information with constrained viewing angles to 30° from either side
- Filters blue light, minimizing eye strain
- Anti-microbial: helps prevent bacteria growth on the privacy screen
- Anti-reflective coating blocks screen glare for a comfortable viewing experience
- Over 12% brighter than competitive solutions for greater clarity and visibility
- Glossy or matte sides to suit your viewing preferences
- Reusable silicon adhesive strips for quick and easy installation
- 1 Year Limited Warranty

Designed to fit the Dell Latitude™ 7320 Detachable, the 4Vu™ Privacy Screen, Landscape* protects your information with tiny vertical blinds on the surface of the privacy screen—narrowing the viewing angle so data is only visible when directly in front of the monitor.

Onlookers beyond 30° from the center of the screen will only see a dark screen. In addition to providing enhanced security, the screen also blocks glare to help reduce eye strain. The 4Vu Privacy Screen can be easily attached by using clear adhesive strips designed for LCD screens.

*30° Viewing angle is designed to work only when the device screen is horizontal.
