

## Anti-Fatigue Mat

Stand in Durable Comfort

K55401WW

### Product Description

The Kensington Anti-Fatigue Mat combines superior gel comfort with professional durability to provide the perfect companion for standing workstations. Maximising the health benefits of standing while working, the Anti-Fatigue Mat is made of the highest quality materials and ergonomically engineered to reduce fatigue on legs, back and feet at the office, laboratory, workshop, kitchen or garage.

### Features

- Ergonomically Engineered to stimulate blood circulation and reduce fatigue on legs, back and feet by providing better pressure distribution and significantly reducing contact stress.
- Patented rubberised-gel foam is 17mm thick and provides superior performance over thicker polyurethane foam competitors, offering unmatched tensile strength to resist tearing, an easy-to-clean waterproof and oil-resistant surface, enhanced shock absorption, and better durability for high traffic areas to ensure mat will not break down or compress over time.
- NFSI certified anti-slip surface reduces slipping concerns and ensures mat stays in place.
- ADA-compliant bevelled edge ensures mat will not roll up, is trip-resistant, and provides 18° angle for office chair to roll up on with ease.
- Non-toxic and flame resistant materials are vinyl and BPA-free, supporting stricter environmental standards than most polyurethane foam competitors, and meet Cal 117 fire safety standards
- Ships flat to prevent unwanted creases and curled edges

### Product information

**Gross weight** 3.49kg

### Retail Packaging Information

**Depth** 28mm  
**Width** 523mm  
**Height** 940mm  
**Gross weight** 3.49kg  
**UPC#** 085896554011  
**Unit quantity** 0

### Master Case Information

**Depth** 28mm  
**Width** 523mm  
**Height** 940mm  
**Gross weight** 3.49kg  
**UPC#** 50085896554016  
**Unit quantity** 1

### Shipping Information

**Country of origin** ??  
**Minimum Order Quantity** 1  
**Warranty Period** 24

### General information

**Colour** Black
