

Mouse-in-a-Box™ EQ Wired Mouse

The simple and more sustainable mouse.

K72480WW

Product Description

For professionals struggling to find a value-for-money mouse with the thoughtful inclusion of sustainable materials, the Mouse-in-a-Box™ EQ is an ideal choice. The outer case and buttons are composed of 65% post-consumer recycled content, offering a comfortable rounded shape that caters to both left and right-handed users. The responsive optical sensor and convenient scroll wheel support accurate and efficient navigation through long documents and web pages. The USB-A connection provides a reliable wired experience for battery-free operation. Windows, macOS and ChromeOS compatible, the Mouse-in-a-Box™ EQ is a reliable plug & play mouse perfect for mass deployments.
