

# PowerSync+ Station®

Store, charge, and sync your iPad or iPhone devices with the ready-to-go PowerSync+ Charging Station. Optimized for Apple with pre-wired Lightning cables and connection for Mac for bulk device syncing.

## OPTIMIZED FOR APPLE

Pre-wired with custom Lightning USB cables that are optimal length for each slot with right angled connector that makes it easy to connect devices. With extra cable to connect to Mac.

## READY TO USE

The PowerSync+ Station comes fully assembled, pre-wired and ready to load.

## SIZE MATTERS

Space is no issue. The compact footprint is perfect for tables or countertops with room to charge up to 20 iPad or iPhone devices.

## BUILT TO LAST

Each unit is fully welded. Designed and built in the USA.

**OPTIMIZED FOR iOS DEVICES**

**FULL RATE CHARGING** | Provides simultaneous, maximum charging rate to each device.

**STATUS ON DEMAND** | LED lights positioned over each device let users know when devices are fully charged and ready for use.

**SCALABLE** | Daisy-chain up to three stations to provide charging for up to 60 devices with a single wall outlet.

**POCKET DOOR** | Neatly tucks away securing open space to load and unload devices.

**SECURITY** | Secure devices using a durable padlock included with the station.
