

SmartSockets Basic Surge Protector

K62146NA

Product Description

Trust Kensington to provide quality surge protection for your valuable electronics like laptops, printers and modems. With color-coded rings and matching cord labels, the SmartSockets Basic Surge Protector makes cord management easy. Your outlet capacity expands with six adapter-style plugs available on the power strip, and 670 joules of surge dissipation protects your devices from damaging spikes. A green indicator light lets you know you're protected and there's also a \$10,000 equipment warranty.

Features

- Safeguard computer and equipment with 670 joules of surge protection
- Room to easily accommodate up to six adapter-style plugs
- Color-coded rings with matching cord labels provides easy cord management
- EMI/RFI noise filtration and recessed on/off switch
- \$10,000 equipment warranty against damage from surges
- 6-foot power cord puts surge protection where it's needed
- Indicator monitors the surge protector to ensure full protection
- Reliability ensured with UL and CSA certifications and limited lifetime product warranty
