<b>Global Availability</b>	<ul style="list-style-type: none"> <li>HP Elite Slice G2 is available in ~170 countries worldwide and Slice is specifically available wherever our Elite products are sold/supported</li> </ul>
<b>Warranty</b>	<ul style="list-style-type: none"> <li><b>Elite Support Services – Three-years parts, labor, on-site next-business-day service.</b></li> <li>Multi-country and regional support network</li> <li>Dedicated collaboration-help-desk phone line in each of our markets worldwide (AMS, EMEA, APJ)</li> </ul>
<b>I/O Ports</b>	<ul style="list-style-type: none"> <li>Dual-independent monitor support via HDMI and Digital DisplayPort™ video interfaces<sup>1</sup></li> <li>2 x USB 3.1 Type-C®</li> <li>2 x USB 3.1 Type-A Gen 1</li> <li>1 x RJ-45 connector</li> </ul>
<b>Security</b>	<ul style="list-style-type: none"> <li><b>HP SureStart Gen3 helps prevent malware and BIOS attacks on MTR systems<sup>5</sup></b></li> <li><b>Tamper-proof port cover w/cable management - Physical security keyed cable lock to help prevent theft<sup>10</sup></b></li> </ul>
<b>Manageability</b>	<ul style="list-style-type: none"> <li>TPM 2.0</li> <li><b>HP Manageability Integration Kit (MIK)<sup>11</sup></b> – Certified tool available for Microsoft® System Center Configuration Manager that helps fast-track image creating and management of HP BIOS, security, hardware, software when system is managing devices through Microsoft SCCM</li> <li><b>HP DaaS/TechPulse Service<sup>9</sup></b> – world-class service that proactively identifies issues, enables remedies at scale and minimized threats by actively monitoring the security posture of the organization</li> <li>Manageable with Microsoft Teams Admin Center and Microsoft Teams Rooms Managed Services<sup>8</sup></li> </ul>
<b>System Software</b>	<ul style="list-style-type: none"> <li>Pre-installed Win 10 IoT 64 Enterprise</li> <li><b>Pre-installed Microsoft Teams Rooms software<sup>3</sup></b></li> </ul>
<b>Optional</b>	<p><b>Additional HDMI ingest capability</b> – Customers have the option to leverage the Logitech Tap Touch Controller for HDMI ingest or to use the optional HDMI ingest module available on the Slice G2 Partner Ready unit. This provides convenience for customers that prefer to have the HDMI ingest cable coming from the HP Elite Slice G2 rather than the tabletop Tap Touch controller for better cable management.</p>

### USE CASE

- Support for small, medium and large room configurations
- Custom deployment needs

### CUSTOMER PAIN POINTS

- Easy to deploy and manage
- Quick setup and installation
- Highly customizable and easy to integrate with 3rd party devices

### PRE-INSTALLED SW

- Windows 10 IoT
- Microsoft Teams Rooms software pre-installed<sup>3</sup>

### HIGHLY SECURE AND MANAGEABLE

Integrated HP Sure Start is a self-healing BIOS.

### OUT-OF-THE-BOX-EXPERIENCE

Simplify installation with pre-installed Microsoft Teams Rooms Image<sup>4</sup>

1. Included with this product is an HP DisplayPort™ to HDMI True 4K adapter.  
 2. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.  
 3. Audio equipment or speakers are required and sold separately. Microsoft Teams Rooms subscription required.  
 4. Internet or network access required.  
 5. Available on HP Elite products equipped with Intel® 7th generation processors.  
 6. Mounting hardware sold separately.  
 7. For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) of disk is reserved for system recovery software.  
 8. Third party software sold separately.  
 9. HP Services are sold separately. Select HP Services include HP Tech Pulse. HP TechPulse is not a standalone offer. HP TechPulse is a telemetry and analytics platform that provides critical data around devices and applications. HP TechPulse follows stringent GDPR privacy regulations and is ISO 27001 certified for Information Security. Internet access with connection to Tech Pulse portal is required. For full system requirements, please visit <http://www.hpdaas.com/> requirements. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.  
 10. Cable and lock sold separately.  
 11. HP Manageability Integration Kit can be downloaded from [hp.com/go/clientmanagement](http://hp.com/go/clientmanagement).
