

HyperX Cloud Stinger Core - Gaming Headset (Black)

ESSENTIAL FOR PC GAMING.

The HyperX Cloud Stinger Core is built for the PC gamer who wants great sound quality from a lightweight headset. This headset provides all the features that gamers need from their headset, great sound quality with spatial audio support, comfort, convenience, and reliability. Cloud Stinger Core includes 2 years of DTS Headphone:X¹ Spatial Audio for enhanced immersion and positional audio cues to keep you on top of your game. It also features convenient in-line audio controls and a PC extension cable with stereo and mic plugs. Adjustable steel sliders and soft ear cushions provide solid comfort, and the swiveling mic can be flipped up when it's not in use. The closed-cup design and directional 40mm drivers help block out distractions and keep you in the zone. The Cloud Stinger Core is backed with a 2-year warranty and free tech support.

Key features

DTS® Headphone:X¹ Spatial Audio

Unlock accurate 3D audio spatialization and localization! The included activation code provides 2 years of DTS Headphone:X Spatial Audio for enhanced perception, awareness, and immersion.

Immersive in-game audio

The 40mm directional drivers and closed-cup design will help block out distractions to keep you in the game.

In-Line audio controls

Convenient in-line audio controls so you can adjust volume and mute your mic without having to dig into system menus.

Multiplatform compatibility

One headset for a variety of platforms. Compatible with PC, PS4, Xbox One, Mac, Mobile, and Nintendo Switch.

Lightweight comfort

This lightweight headset barely moves the scales at 215g with comfortable, soft, breathable ear cushions.

Adjustable steel sliders

The durable solid steel sliders are built for reliability, and they're adjustable to provide comfort for a variety of head sizes.

Adjustable noise-cancelling microphone

The mic's built-in noise-cancellation keeps background noise to a minimum. Position the mic just how you want it, or flip it up and out of the way when it's not in use.
