

HP L2208W 22-INCH WIDESCREEN LCD MONITOR

High-resolution extra-large widescreen display with essential presentation features

HP is proud to introduce the newest addition to the Essential series widescreen monitor family. The HP L2208w 22-inch Widescreen LCD Monitor offers essential performance features in an elegant jumbo-sized 22-inch diagonal screen designed for users who prefer expansive widescreen viewing, wherever they work.

Essential, every day performance

Presentation and user comfort features include:

- Crisp, clear views of text, graphics, and video from 1000:1 contrast ratio and a bright 300-nit screen*
- Power button disable function that prevents users from turning off the monitor
- Power LED on/off control to disable the green power light and help minimize distraction
- Wide 160-degree viewing angles and a full range of tilt settings to help users find a comfortable viewing position.

Smart software

HP Display LiteSaver allows pre-scheduled Sleep modes to help protect against image retention and lower power consumption and energy costs. HP Display Assistant enables monitor adjustment, theft deterrence, and color calibration through the connected PC.

Easy set up and use

The monitor comes already assembled to the base, for quick and easy set up right out of the box. Just attach the cables, and you're ready to go.

Assured compatibility

This monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP business notebooks and desktop PCs, thin clients, and workstations. When you buy the monitor with an HP PC, you get end-to-end product serviceability and support from HP with just one phone call.

Environmentally responsible

This monitor meets stringent worldwide environmental regulatory standards, including ENERGY STAR®, CE Mark, and UL and is in compliance with the Restrictions of Hazardous Substances (RoHS) Directive, 2002/95/EC. This monitor also received a Silver ranking from the Electronic Products Environmental Assessment Tool (EPEAT).

Enjoy peace of mind

The HP L2208w monitor is protected by a three-year limited warranty that is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.

HP L2208W 22-INCH WIDESCREEN LCD MONITOR

Part number	GX007AA

Warranty	Three years parts, labor, and on-site service. 24-hour, 90-day, toll-free technical support. Replacement options may include second business day on-site service, or next business day direct replacement, at HP's sole discretion. ² With direct replacement, HP will ship a replacement display product directly to you. Using the prepaid shipping labels provided, return your failed display to HP in the same packaging as the replacement. Certain restrictions and exclusions apply. For details see your product warranty or contact HP Customer Support.

* All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower. The information contained herein is subject to change without notice.

¹The HP Quick Release has been designed to support a maximum of up to 24 lbs (10.9 kg) depending upon the mounting configuration used. Please note this is a total weight limit for all devices mounted, i.e. the combined weight of the monitor and a second device such as an HP Thin Client cannot exceed 24 pounds. Because mounting surfaces vary widely and the final mounting method and configuration may vary, mounting fasteners are not supplied (other than the VESA-compliant screws). HP recommends that you consult with a qualified engineering, architectural or construction professional to determine the appropriate type and quantity of mounting fasteners required for your application and to ensure that your mounting solution is properly installed to support applied loads. ²Service levels and response times for HP Care Packs may vary depending on your geographic location. Restrictions and limitations apply. For details, visit www.hp.com/go/carepack.
