

3 m (10 ft.) USB-C to DisplayPort Cable - 4K 60Hz - White

Product ID: CDP2DPMM3MW

This USB-C™ to DisplayPort adapter cable offers a convenient solution for directly connecting your DisplayPort over USB Type-C™ device to your DP monitor or projector. The adapter offers a connection distance of up to 3 m (10 ft.) and works with USB-C devices that support DP Alt Mode, such as the MacBook, Chromebook Pixel™ and Dell™ XPS™ models 15 and 13. It's also compatible with Thunderbolt™ 3 ports.

Clutter-free installation

While this white adapter looks great next to computers that match the look and feel of laptops like your MacBook or HP® Envy, it works with any USB-C computer that supports DisplayPort. At 3 m (10 ft.) in length, this adapter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy and professional installation.

For shorter installations, StarTech.com also offers a [1 m \(3 ft.\) USB-C to DisplayPort cable \(CDP2DPMM1MW\)](#) and [% product id="CDP2DPMM6W" text="1.8 m (6 ft.) USB-C to DisplayPort cable (CDP2DPMM6W)"], enabling you to choose the right cable length for your custom installation needs.

Astonishing picture quality

At four times the resolution of high-definition 1080p, you'll be amazed at the picture quality of a 4K 60Hz monitor or television. This adapter cable lets you harness the video capabilities that are built into your USB Type-C connection, to deliver the astonishing quality of Ultra HD to your 4K display.

Plus, the adapter is still compatible with lower display resolutions, such as 1080p, which makes it a great accessory for your current home, office or other HD work environment, while future-proofing for 4K 60Hz implementation.

The CDP2DPMM3MW is backed by a 2-year StarTech.com warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect a USB Type-C computer to a DisplayPort projector or display in your classroom, auditorium or boardroom
- Install at your home workstation or office hot desk to make your USB-C computer compatible with your DisplayPort monitor

Features

- Position your devices as needed throughout your workspace, with reduced cable clutter
- 3 m (10 ft.) all-in-one solution with a combined cable and adapter
- A stylish look that complements your white monitors
- Hassle-free connection with the reversible USB-C connector
- Astonishing video quality with support for resolutions up to 4K at 60Hz
